Trips and Activities

As a school, we believe it is helpful for parents/carers to have an insight into the regular activities and trips that are planned in each year group. A number of these trips have cost implications and, in accordance with our charging and remissions policy, parents/carers are invited to make a voluntary contribution towards the cost. We have listed the approximate amount of contribution that parents/carers are invited to make for each planned activity.

In line with our policy, no child will be left out of an activity because a voluntary contribution has not been made.

As a school, we will explain when an activity cannot take place without financial help from parents/carers. In such circumstances, where there are not enough voluntary contributions to make the activity possible, then the activity will be cancelled.

These activities and trips, may, of course, be subject to change, both of destination and cost.

Year 5

Term	Activity (Destination)	Voluntary Contribution
Autumn Term	Fitzwilliam Museum	£3
